

Repair Services

Genesis Automotive and RV Repair, Inc. provides complete automotive and RV diagnostics, service, and customizations as well as fleet repair. We work on all makes and models, including imports and specialty/customized vehicles. Our highly skilled technicians receive quarterly training, and our shop is loaded with state-of-the-art diagnostic equipment to ensure that your vehicle will be in excellent working order when it leaves our shop. We use only name brand parts, and most parts are available within 24 hours, ensuring that your repair is achieved in a timely manner. Regardless of how large or small your need is, look to Genesis Automotive and R.V. Repair Services for all of your automotive needs. Contact us today to make an appointment (253) 473-2336.
